

**Pewamo-Westphalia Middle/High School  
2022-2023 School Year  
Device Take Home Insurance Policy**

Insurance will help repair/replace the device against accidental damage (drops/spills), theft, vandalism, fire, flood, natural disasters, and power surge due to lightning strikes. This insurance policy will provide partial replacement cost coverage and protect the school device worldwide (on and off school grounds.) There is a deductible of \$30 first time/\$20 each other time for damage. Extended delays in notifying the technology department about damage may result in the device being temporarily disabled.

Please make checks payable to Pewamo-Westphalia Community Schools and write: *Device insurance/your child's name* in the memo area. **If you would like to purchase insurance but are experiencing financial difficulty, please speak with the building administrator.**
