

P-W Mileage Chart By Car

Mileage is reimbursed at 90% of the IRS rate. The table below lists published distances between P-W High School and various cities. Mileage between district schools is also listed below. Travel between P-W and an employee's home will not be reimbursed. Mileage will be paid between an employee's home and an outside destination when the two conditions below are met:

1. This distance is less than the distance between P-W and the destination.
2. The employee actually left from home and/or returned home.
